Over-the-Rhine Community Housing presents

Celebrating Our Beloved Community: Rooted.

Through this theme we will explore the depth of our organization's roots and the roots of the individuals, businesses, and organizations who have called Over-the-Rhine home for generations. Stories will be shared with us that elevate the value of being rooted in such a vibrant and diverse neighborhood. We will present the 'Building Our Beloved Community' awards to partners who have played a significant role in helping us achieve our vision of quality stable housing for all in a socially, racially, and economically inclusive community. This year we will honor Peaslee Neighborhood Center, the Greater Cincinnati Homeless Coalition, and Bonnie Neumeier.
