

19th Annual Celebrating Our Beloved Community: Walk Our Blocks – September 24, 2026

Over-the-Rhine Community Housing develops and manages resident-centered affordable housing. We work to build inclusive community that benefits our neighbors that need it most. With support from donors, we met the housing needs of 1,244 Cincinnatians in 2025.

Each year, we gather with our friends, partners, and supporters to recognize the efforts of our community. This year we will gather at **Findlay Market** to walk the blocks of Over-the-Rhine, meet neighbors, and learn about the work of OTR Community Housing. We'll share food and refreshments, we'll review progress, and present *Partner in Building Our Beloved Community awards* to **Charles Addei** and **New Life Furniture Bank**. Be on the lookout for updated event details at <https://otrch.org/event/cobc2026/>

Your support enables a portion of the proceeds to go directly back into the community with paid stipends for residents that volunteer for the event!
